

## **About the Department of Computer Science:**

The department of Computer Science established in the year 1986. It is the oldest department in the State of Maharashtra and topmost in the SGB Amravati University area. Firstly, undergraduate course was started then post graduate course was added in the year 2007. Keeping pace with the changing scenario it has introduced in 2005 Certificate / Diploma / Advance Diploma in Information & Computer Technology at undergraduate level under UGC's Career Oriented Programs. It has sufficient infrastructural facilities available as per need and latest development in the field like computer science and Information Technology.

- AC server room with 65 VPN Broad Internet BSNL connection.
- Wi-Fi internet facility in lab as well as Campus.
- Every computer in the college connected through BB Internet facility.
- With LAN printer and Wi-Fi printers.
- Interactive Teaching and learning facility

It has two qualified teaching faculty having Ph.D. degree. One faculty is recognized supervisor. Six departments viz Chemistry, Electronics, Physics, Mathematics, Statistics , Geology are connected with this department. The department offers 5 subject combinations i.e. CEP, CES,CMP,CMS,CGC.

The faculty Members of the Department and Research Students are actively involved in the research in computer science and more than 75 research article are published in national and international Journals/conference. Faculty members also published their research article in abroad and hold position like session chair and invited talk in abroad and two research project also completed funded by UGC.
