DEPARTMENT OF BIOCHEMISTRY

Career Oriented Program-

1. Certificate Course in Clinical Laboratory Technology (CCLT)

2. Diploma Course in Clinical Laboratory Technology (DCLT)

3. Advanced Diploma Course in Clinical Laboratory Technology (ADCLT)

Summary

Department of Biochemistry Shri Shivaji College of Arts, Commerce and Science, Akola is successfully running Career Oriented Program "Certificate Course in Clinical Laboratory Technology" (CCLT), Diploma Course in Clinical Laboratory Technology" (DCLT) and Advanced Diploma Course in Clinical Laboratory Technology" (ADCLT) parallel to B.Sc. I, II and III respectively. "Certificate Course in Clinical Laboratory Technology" (CCLT) was started in the College during 2007-2008. It was financially supported by University Grant Commission in 2008 for next five years and approved by Sant Gadge Baba Amravati University, Amravati. After incorporation of CCLT, through natural growth DCLT and ADCLT were incorporated.

From the UGC grants received for the said purpose, the college has purchased fundamental equipment's required to conduct the course successfully. Any student of graduation with biology subject is eligible for this course. After five years i.e. from 2013-14, College has been running this certificate course as self financed course. Every year, about 50-60 students get admitted to the course and get certificate. The program is basically useful to B.Sc. students who have successfully completed their graduation along with these three certificates courses. These certificate courses provides basic knowledge of Clinical Biochemistry to graduating students. After successful completion of these certificate courses students may get employment in health care sector as a lab technician. Basic techniques learned in these courses may be helpful to students in their further higher education like M.Sc. and P.G. DMLT etc.

Each certificate course requires 30 hours of teaching. After completion of syllabus department conducts theory and practical examination for CCLT, DCLT and ADCLT. Students who have successfully completed Certificate, Diploma and Advanced Diploma courses are awarded with certificates and mark sheets of respective courses.

During the year 2016-17, 47 students get admitted to CCLT, 21 students to DCLT and successfully completed the course. The list is attached herewith-

CAREER ORIENTED PROGRAM

CERTIFICATE COURSE IN ANALYTICAL CHEMISTRY.

Summary

Career Oriented Program "Certificate course in Analytical Chemistry was started in the College during 2006-2007. It was financially supported by University Grant Commission in 2006 for next five years and approved by Sant Gadge Baba Amravati University, Amravati. From the UGC grants received for the said purpose, the college has purchased fundamental equipments required to conduct the course successfully. Any student of graduation with Chemistry botany Zoology subject is eligible for this course. After five years i.e. from 2011-12, the college is running this certificate course as self finance course. Every year, about 15-70 students were admitted to the course and were certificate. The certificate course is basically useful to the students to clear the theoretical concept, hands on additional practical and project. In Analytical Chemistry courses, the students study the various chemical components in detail. They get to know about the identification and quantification of chemical substances. These courses are extremely popular from the industrial point of view. Analytical Chemistry courses are in high demand in every industry like pharmaceutical, food processing, petrochemical, etc. You will be able to study the Analytical Chemistry courses either online or in offline mode. Each of these Chemistry courses will allow you to develop a highly prosperous career.

Career Opportunities.

Entry level technicians in State and Federal laboratories, academic research laboratories, industrial, pharmaceutical and environmental health laboratories.

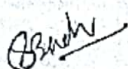

During the year 2016-17, Twelve students were admitted to "Certificate course in Analytical Chemistry and successfully completed the course. The list is attached herewith-

CAREER ORIENTED PROGRAM- CERTIFICATE COURSE IN BIOTECHNOLOGY

Summary

Career Oriented Program “Certificate course in Biotechnology” was started in the College during 2006-2007. It was financially supported by University Grant Commission in 2006 for next five years and approved by Sant Gadge Baba Amravati University, Amravati. From the UGC grants received for the said purpose, the college has purchased fundamental equipments required to conduct the course successfully. Any student of graduation with biology subject is eligible for this course. After five years i.e. from 2011-12, the college is running this certificate course as self finance course. Every year, about 15-30 students get admitted to the course and get certificate. The certificate course is basically useful to the students to clear the theoretical concept and hands on additional practical's. It is also useful for students to secure jobs in the sector of biological sciences especially biotechnological applications.

During the year 2017-18, Twenty One students get admitted to Certificate course in Biotechnology and successfully completed the course. The list is attached herewith-
