Raut, IQAC co-ordinator was the chief guest of the programme and Dr. S.T. Khadakkar Head, Faculty of Science, were present as the Guest of honor.

### **International Women's Day (08/03/2020)**

The 2020 International Women's Day focused on the theme, 'An equal world is an enabled world'. The emerging global consensus is that despite some progress, real change has been agonizingly slow for the majority of women and girls in the world. Today, not a single country can claim to have achieved gender equality. Multiple obstacles remain unchanged in law and in culture. Women and girls continue to be undervalued; they work more and earn less and have fewer choices; and experience multiple forms of violence at home and in public spaces. The year 2020 represents an unmissable opportunity to mobilize global action to achieve gender equality and human rights of all women and girls. This year International Womans Day was celebrated on 08/03/2020, on this occasion health talk was organized by Gynecologist Dr. Malokar. Some NCC students were ranked as SUO (Senior under Officer) by Col Sanjay Pande, Principal Dr. R.M Bhise Sir & Capt. Ananda Kale on the occasion of International Women's Day

### **Sparrow Day (20/03/2020)**

Sparrow Day was celebrated by the department of zoology every year on 20 March. On this occation every year distribution of earthen pots were distributed among students to place water for birds in summer.
