Use better graphics and visual media to engage students well. ...

Try to reach every student and ask for their doubts. ...

Make teaching a two way interaction.

Very good

Very good

No Suggestions

Nothing required.

Good experience

,

1. Should actively tell students about their strong points and weak points.

Increase the staff of the college

Everything is provided to students and teaching staff is sooo good 😊

Excellent teaching and supportive teacher

Objectives, assessment, and instructional activities

The annual syllabus should be given to the students in due time in the college.

Fees structure of forensic science is too much high

Teach about skills that are more important

No queries

Focus on providing opportunities to students like internship real field work experiences

Update curriculum for modern needs of employers,

- we have a big library.
- Permanent teaching staff for forensic science department.
- 2-3 Study tours after or before completing every semester.

Teacher learning very good and projects and seminars .hod are motivate competitive exam s and other education motivated

Nothing Best Faculty n Campus

None

good

Very well teaching

Our collage is very good

Please provide all sem Biochemistry syllabus notes if book are not available.

Please provide the teaching staff for forensic department

There should be a good canteen

The teaching of all teachers is always excellent,so There is no need to improve because everyone gives their best.

we should study hard

My college is best in All Activities and Facilities

Please enhance the office work and non teaching staff behaviour

All good

More exposure to practical studies, study tour, internship opportunities, workshop

Encourage Cooperative learning and communicate with colleagues

Nothing all teacher teaches very well

""

Updown students should be given separate table in the canteen to eat tiffin.

1. Very good teaching

2. all activities in participating in suggestion

3. Motivation in all teachers

Yes

No suggestions it's a very nice college I had ever seen

Activities related to subject should be done more often.

Keeping an eye on each student, and guiding them accordingly

Guidance for social work

Regular lectures should be conducted

Excellent

आमचे महाविद्यालय खुप छान आहे

महाविद्यालयात खुप छान शिकवतात

आमच्या महाविद्यालयात प्राध्यापक खुप छान आहेत.

Good learning and teaching

Make teaching a two way interaction

Nothing all of things are good

- 1) Courses can be more research oriented.
- 2) New technology monthly updates can be given.
- 3) All competitive exams books do available in the lab.....

Teaching is already best

Everything is excellent.

I think teachers and sirs need to teach in Hindi and in English language too some students doesn't understand Marathi language

No suggestions. Because our college is excellent

Nothing else

The teaching staff should be respected towards students.

Use more ICT tools while teaching, practical application of learning, and future scope for it

- 1.Improving practical knowledge
- 2.Improving Other activities like education trips, cultural activities etc
3. Conduct educational activities

Should improve and do work quickly as whenever paper work of students is there so they need to stand in line wait a lot and sometimes students don't get there no on window

Teaching is very welll

My teacher very time teaching on good I Teacher evry time complete to activities I Teacher syllabus very nice and good teaching and very time help with students

It's excellent 👍

Good

There are many thing to improve but the main thing is to be work on communication skil of the students and as in medical AETCOM is there then this courses also have AETCOM model

- 1.Practice tests must taken each week
- 2.Daily tasks must be given to students by the teachers

Excellent but some time techars are ignore a students and in the girls room cold water not available

Canteen owner can not beehev good

In Sports, water drinking, curriculum activities

Canteen should be maintained properly.
Library should be maintained properly.

College facility is excellent

Development of new skills

- 1.Use beta graphics and visual media to engage student well.
2. Try to reach every student and ask for their doubts.
3. Make teaching a two way interaction..

NA

1)extra classes for competitive exams.

2)use ICT tools.

Thank you :)

....

1) good teaching

2) very good teachers

3) some lectures are regular

Canteen mein bacchon ke liye Suvidha uplabdh
, and regular lecture

1) Take lacture on project

2) teacher should not behave angry, some time

3) drinking water should be chilled & fresh

1) I personally feel the college should promote more internship programs and field visits.

2) The college canteen can be better, although it's good and sufficient and mostly clean.

3) The practicals in our syllabus require immediate modifications, as they are pretty outdated and students will get to learn new techniques and procedures regarding the subject matter.

very well and excellent teaching and learning

All are good

All the facilities that collage provides to students are excellent

Teachers regularly present on time and teaches very well

Practical are held daily with maintenance

And sincerely

S

Give three observations / Suggestions to improve the overall curriculum and teaching- learning experience in your college

*

Must main cleanliness, college canteen should serve good, there should be some restrictions for girl and boys

Regular classes & good facilities

group discussion

regular study

regular lectures

Improve college canteen

1 Use better graphics and visual media to engage students well

STUDENTS SATISFACTORY SURVEY REPORT

BY FEDBACK ANALYSIS (2022 -2023)

Shri shivaji college of Arts, Commerce and Science is a **multi-faculty, multidisciplinary, renowned and one of the famous and old college in the vidarbha region** with a huge bright history. Total approximate 5000 students from different streams of Arts, Commerce, Science, Home Science are enrolled for different courses in the academic session 2022 – 2023. The college stand milestone in developing the future of many students as it has facilities for Undergraduate, Postgraduate, M. Phil and Ph. D along with many Certificate courses, students from different villages belongs to different districts like Washim, Yavatmal, Buldhana, Amravati and Jalgaon prefer to take admission and learn.

❖ FEDBACK COLLECTION STRATEGIES:

The college is always engaged in planning **student centre activity every year for their academic upliftment, developing social responsibility and social awareness among the students.** In order to achieved institutional Excellency, college take feedback from its all stakeholder like its faculty, alumina, parents and most importantly from student. As a part of these, the college yearly conducts satisfactory survey for all its stake holders and always tries to solve their problems and difficulty by means of feedback collection and acting on suggestions. This report is highlighting some of the key findings of student satisfactory survey feedback given by students for the academic year 2022 – 2023.

Students with graduation, post-graduation, M. Phil and Ph. D in all the four stream of Arts, Commerce, Science and Home Science registered their reply by their own mail on Google form. All the **total 136 respondent reply through their mail for multiple choice based questioner** which include different questions from academic, institutional and faculties' background with more emphasis on teaching – learning process.

A) STATUS OF STUDENT SATISFACTORY SURVEY:

Various aspects has been included in student's satisfactory survey analysis with special emphasis on availability and status of basic facilities, infrastructure availability, teaching and learning strategies, students' empowerment and development of various skills for the uplift and better future developments among students. A questioner had been developed with wide and diverse range of questions which were framed to exactly pin point the strength and loop hole in academic programming.

The students satisfactory survey was divided broadly into three categories viz.,

1) Status of Teachers Role, Duties and responsibilities:

Overall survey about the teachers' role in academic, teaching and other curricular activities found excellent in most of the aspects with some area of scope for better achievements. Teacher approach to teaching and communication skilled with subject preparedness are highly appreciated by all the students. They also admit the Excellency of teachers informing about expected competencies within students with courses and program outcome. Few suggestions like increasing multiple test, more used of ICT tools, preference for regional language while teaching and explaining in classes.

Mostly (more than 92%) students assigned the task given by guardian teachers and enjoy concept learning through practical applications. They also satisfied with the strength and encouragement to uplift everyone to overcome every level of challenges. However there are some areas of scope for faculty members to strengthen the tie with students to identify their weakness and for enhancing their learning experiences by adopting more students' centric methods, their participations in learning and problem solving methodology. Even planning more educational Tours, Industrial visit, cultural event will minimize the barrier of communication among students and

teachers and helpful for developing healthy atmosphere for teaching and learning both.

2) Status of institution Role, Duties and Responsibilities:

Students are happy, satisfied and highly inspire with institution role in various concerned. The institution promotes internship, student exchange program and field visit activity which are benefited in all the fields for the future exposure of students. **More than 97% of students appreciate the sincere efforts of institutions to provide multiple opportunities to learn and grow and also admit (more than 93%) facilities for cognitive, social and emotional growth.**

Students are **strongly agree (97.4%)** regarding with efforts of institution concerning to **keeping high quality of teaching and learning.** However institution has **more scope (10%) in conducting soft skill, life skill and employment oriented programs.** It also needs to take more efforts to engage students in the monitoring review and continuous quality improvement of the teaching and learning process.

3) Students remarks / suggestions about all academic and facilities concerned:

Overall students found **satisfied and happy with the institution role, duties, and responsibilities along with academic staffs.** They fearlessly reported their responses and appreciated all the academic, curricular and extracurricular aspects. However there are some suggestions from students which are mentioned below.

- 1) Need of Updating curriculum for modern needs for future employment.
- 2) Give only grades for practical and internal assessment.
- 3) Thumb base attendance should be introduced.
- 4) Syllabus should include opportunities to students like internship in the industry and field work experiences

5) Must enhance the placement campus

4) List of suggestions / issues resolved (from SSR 2021 – 2022):

1. Some instruments are old and not working properly. These equipments should be changed.
2. Please increase office staff, we really face many problems while giving and taking any documents.
3. Extra classes should be conducted for the guidance for the PG and Ph. D programme entrance test.

❖ FUTURE SCOPE:

- Institution has more scope in conducting soft skill, life skill and employment oriented programs.
- Planning for more industrial exposure of students
- Planning for induction of Contents in the syllabus for UG and Students which are really essential for the Employment in the Industry and Public sector.
- Work hard over every suggestions
